ASIC verification and photo lodgement

[← Back](#)

ASIC card verification

Issuing body

Your issuing body is who you applied to and received your ASIC from. It may be printed on the front or back of your ASIC card. If you're unsure of this, please refer to any correspondence you received regarding your ASIC application or contact your flight school.

Aviation ID Australia

Civil Aviation Safety Authority

Veritas (VEA)

Other provider

ASIC number as shown on card

Please enter the number shown on your ASIC. This is usually at the bottom of the ASIC and may contain letters and dashes. Please enter all the characters as shown on your ASIC.

First name as shown on card

Please enter your first name as shown on card

Family name as shown on card

 Woden

Lodgement of photo

By giving your consent below CASA will receive and store your ASIC photo in the ways explained below.

- It will be stored on CASA's licensing portal for access by authorised CASA officers
- It will be stored on CASA's Medical Records System for access by authorised CASA officers and your Designated Aviation Medical Examiner (DAME). This will also enable a DAME to verify under CASR 67.170 that you are who you claim to be when being medically examined
- displayed on your flight crew or air traffic control licence
- otherwise disclosed in accordance with [CASA's privacy statement](#)

By giving your consent below CASA will verify your ASIC and will also receive and store your ASIC photo.

If you do not consent to CASA using this photograph, you cannot download a digital view of your flight crew licence on your iPhone.

Consent to check ASIC and use photograph

I consent to my information being checked with the document issuer or official record holder via third party systems for the purpose of confirming the ASIC was issued and for Auscheck or any ASIC issuing body to disclose to CASA a copy of any photograph of myself that they hold.

I agree and understand the above conditions

XIII Conditions/Licence Remarks

Recreational Pilot Licence

Endorsements - limitations on exercise of privileges:

The holder is not authorised to pilot an aircraft in a Contracting State's airspace unless the holder has permission (however described) from the contracting State to do so.

Non ICAO Compliance:

RPL

Medical Certificate:

The holder must not perform a duty authorised on the licence unless the person holds a current medical certificate that is appropriate to the licence. The conditions of the holder's medical certificate must also be observed.

Photo Identification:

The licence holder must carry at all times a valid form of photo identification when exercising the privileges of the licence.

General Licence Remarks:

If the holder of this licence is maintaining proficiency in exercising the privileges of an operational rating(s) through participation in an operator's training and checking system which has been approved for that purpose under regulation 61.040 of the CASR, the holder must carry, along with this licence, a document or documents issued by the operator as evidence of the holder's ongoing proficiency in the exercise of the privileges conferred by the rating(s).

PPL-A was granted on the basis of CAR Part 5 licence issued 11 Dec 1979

CPL-A was granted on the basis of CAR Part 5 licence issued 17 Jul 1981

ATPL-A was granted on the basis of CAR Part 5 licence issued 11 Oct 1990

The flight examiner rating comes into effect on 01 September 2018
